PRESIDENT'S MESSAGE--REPORT FROM OKLAHOMA CITY

Well . . . we just got home, unpacked, and feel like we're lost. I don't have a parking lot full of Falcons to wander through while visiting with a bunch of fantastic people who feel like family! Diane, my wife, said on the way home that it felt like the day after Christmas, when the excitement is over and everyone heads back home.

The Sooner Chapter hosted a super meet in Oklahoma City. The Falcons get better each year. There were a lot of vendors with lots of good "stuff." There were 165 registered, with 123 cars at the show. 265 people attended the banquet, and were entertained by a KOMA Radio DJ.

Our business meeting went very well. We've made some changes to some of our By-Laws. These changes will be printed in the newsletter soon.

Kathy Lerner has agreed to be the Editor of the new FALCON QUARTERLY (formerly the FALCON NEWS). Bronson Netterville continues for now as Editor of the monthly FALCON BULLETIN.

We have some new board members, regional directors, and appointed position leaders that will be published in our next FALCON BULLETIN.

I'd like to thank everyone at the meet for their support. I believe this will be a super year for the FCA. Thanks!--Jim Hatcher, FCA President.

MANY TURNS OF THE WHEELS

FCA member Mike Adan, Foster City, CA, reports that he is the original owner of a 1964 Ranchero 260V8 auto transmission, which has been driven 159,040 miles.

THE BON TEMPS CHAPTER reports a new mailing address for correspondence with the Chapter. It is: 16701 Chadsford Avenue, Baton Rouge, LA 70817.

THE GATEWAY CHAPTER met July 28 for a meeting and picnic at Indian Hills Lake, Cuba, MO, at the weekend home of Rick and Shirley Albert. In June the Chapter participated in the Route 66 Car Club Show in St. Clair, MO. We had a good turn out of cars. There was also a carnival and craft show.

THE HAWKEYE CHAPTER held its July meeting at Jester Park in Des Moines, IA, on July 13. It was a great day and all who attended had a wonderful time. Several members brought their Falcons. The September meeting will be held on September 14 at the home of David and Cathy Musal, Bettendorf, IA. It will be a potluck picnic and all members and their families are invited.

THE KEYSTONE CHAPTER hosted 40 Falcons at Macungie, PA's Das Awkscht Fescht on August 4. Besides those cars of the Keystone Chapter, the Mason Dixon Chapter also had a nice number of cars on display on a hot but very well attended afternoon. We would like to remind all members that the Third Annual Eastern Regional Meet takes place on September 13-14 at the Stouffer Valley Forge Hotel in King of Prussia, PA, hosted by the Keystone, Northeast, and Mason Dixon Chapters. A good time is guaranteed for all.

THE RIVER CITY CHAPTER participated in the Horses and Feathers Run on August 11. Planning has already begun for the 1992 Pacific Regional Meet, to be sponsored by the River City Chapter.

THE SUNCOAST CHAPTER will meet at Old Towne on September 14, 4 pm gathering at the Kentucky Fried Chicken, I-4 and US 27, then convoy to Old Towne by 6 pm. The Chapter is looking ahead to meeting at the Classic Car Races in Sebring in February/March.

FALCON IS MOVIE STAR

FCA member Wendy Hogue, Puyallup, WA, reports that a movie was filmed in her area this summer, and the filming company rented her 63 Falcon Futura hardtop for the main car in the movie. She reports they painted it a metallic green from its once glossy red, but it looks very stock in the movie. Be on the lookout for it in a few months. The name of the movie is "The Arm That Rocked the Cradle." It was filmed in the Tacoma area.

HELPFUL TIPS

Stop two annoying rattles at once. First--loose brake cables rattle against the floor. Cover them from the split to the bracket with a piece of fuel line. Second--the clamp that holds the brake and fuel line squeeks; cut the sidewall out of a bike tire and wedge a small piece between the lines and the floorpan.--David E. Young, Nevada City, CA
